

## Mersen attends USA's premier wind energy event

**Mersen will be highlighting its range of solutions to the wind power market at the "AWEA Windpower 2011 Conference and Exhibition".**

This new edition of the **AWEA Windpower show** will take place **from May 22<sup>nd</sup> to 25<sup>th</sup>, 2011**, at the Anaheim Convention Center, in Anaheim (CA), U.S.A.

**Join us at booth 1609!**

Recognized as one of the fastest-growing trade shows in the U.S.A., the AWEA Windpower show includes nearly 1,400 exhibiting companies, thousands of qualified wind energy professionals, engaging educational information and unmatched networking opportunities and special events.

This show is the focal point for wind professionals to learn about wind issues, technology, and policy while networking with industry decision makers, and generating high-quality business leads.

### **Mersen at a glance**

Global expert in materials and solutions for extreme environments as well as in the safety and reliability of electrical equipment, Mersen designs innovative solutions to address its clients' specific needs to enable them to optimize their manufacturing process in sectors such as energy, transportation, electronics, chemical, pharmaceutical and process industries.
